Please do not make a mistake!

※ There is an apartment called "AMS TOWER Nakajima" nearby, and the first floor is 7-Eleven. That is not my apartment. Please be careful not to make a mistake.

間違えないようにお願いします！

※近くに『AMS TOWER 中島』というマンションがあり、1階はセブンイレブンになっています。そちらは私のマンションではありません。お間違えの無いようご注意ください。

【Direction】

There are 2 buildings named "AMS TOWER" in the same block, with a multi-story parking garage between them, so please be careful not to enter the wrong building !!

◆ How to distinguish the two buildings ◆

There is a stone-built restaurant (Noah's Ark) across from the entrance.

If you see a 7-eleven on the first floor, you are at the WRONG building.

My apartment building is on the right corner. In the case, take that small street with the 7-eleven on the corner, walk past the parking garage, and you will see a green building (Zepp Sapporo) on the left side.
